Dear Mr. Hossie:

**Re: Notice of Proposal under Section 81 of the *Ontario Energy Board Act, 1998*  
Yellow Falls Power Limited Partnership  
Board File Number EB-2009-0141**

On May 7, 2009, Yellow Falls Power Limited Partnership ("Yellow Falls") filed with the Ontario Energy Board (the "Board") a notice of proposal concerning the design modifications and capacity reduction of the Yellow Falls Hydroelectric Project. On April 27, 2009, Yellow Falls applied to the Board for an order granting leave to construct transmission facilities connecting the 16 megawatt Yellow Falls Hydroelectric Project to the transmission system owned by Hydro One Networks Inc.

The notice of proposal under section 81 of the Act was held in abeyance to coordinate with the section 92 leave to construct application. The Board approved the section 92 application with conditions on December 16, 2009.

This letter is to inform you that the Board does not intend to issue a notice of review of the proposal.

Yours truly,
