DECISION AND ORDER

On May 5, 2009, Yellow Falls Power Limited Partnership ("Yellow Falls") filed an application with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 to amend Schedule 1 of the electricity generator licence, EG-2006-0191. The Board assigned the application file number EB-2009-0137.

The requested amendment to Schedule 1 of Yellow Falls electricity generation licence is required in order to reflect the changes to the name, size and location of the generation facility.

The Board has proceeded to decide the application without a hearing pursuant to section 21(4) (b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

The Board finds that it is in the public interest to grant the requested amendment to Schedule 1 of the licence.

IT IS THEREFORE ORDERED THAT:

Schedule 1 of the electricity generator licence EG-2006-0191 is amended to:

1. Yellow Falls Hydroelectric Project, owned and operated by the licensee at Bradburn Township on the Mattagami River, 18 km south of the town of Smooth Rock Falls, Ontario.
