Dear Mr. Stokes:

**Re: Application for an Electricity Generation Licence
Board File Number EB-2009-0007**

On September 21, 2009, OLGC filed a letter advising the Board that pursuant to a decision of the Ontario Superior Court of Justice issued on September 11, 2009, Buttcon Energy Inc. was no longer the operator of the facility. In that same letter OLGC stated that it was in the process of updating its application and would submit an amended application shortly.

On December 1, 2009, the Board issued a letter to OLGC requesting an amended application be filed with the Board within 10 days or the file would be closed.

It has been 14 days since the Board issued its letter. An amended application has not been filed by OLGC with the Board as requested. Accordingly, your application is now closed.

Yours truly,
