Re: Distribution Rate Application EB-2006-0170 – Chapleau Public Utilities Corporation.

Dear Ms. Walli:

We are in the process of preparing the Distribution Rate Application filing for rebasing our rates in 2008. On August the 10th we requested an extension to the filing date to be September the 7th 2007, however we will not be able to meet this date.

There are still various technical issues that need to be resolved before our application is complete.

The Company seeks the Board's indulgence in permitting a further extension to file its documentation by October 15, 2007. An extension will allow the Company sufficient time to satisfy the Board's filing requirements.

If you require additional information please do not hesitate to contact me at 705-864-0111.

Respectfully submitted,

Marita Morin
Secretary and Treasurer
