Re: Enbridge Gas Distribution Inc. ("Enbridge")
EB-2009-0341 DSM Variance Accounts

On October 2, 2009, Enbridge filed an application with the Ontario Energy Board (the "Board") for an order or orders approving the final balances and clearance of certain Demand Side Management variance accounts into rates, as at July 1, 2010.

In accordance with Procedural Order No. 1 issued by the Board on November 12, 2009, intervenors had until December 23, 2009 to file submissions on the Enbridge application.

Enbridge has received one letter of comment from Energy Probe Research Foundation supporting the clearance of the accounts in this proceeding.

Enbridge requests that the Board approve the EB-2009-0341 DSM Variance Accounts Application as filed.

The submission has been submitted through the Board's Regulatory Electronic Submission System ("RESS"). A copy of the on-line confirmation RESS submission reference number has also been included in this package.

Please contact the undersigned if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads 'Bonnie Jean Adams'.
