LRAM / SSM Application

Enersource Hydro Mississauga Inc.

EB-2009-0400

1) Ref: Tab B/Page 7

In section 2.1, Determination of LRAM amounts; it states that Enersource has remained consistent with the Board's letter on input assumptions, dated January 27, 2009.

- a) Please show in a table a listing of the program measures where Enersource has relied on the most recent OPA Measures and Assumptions List. In the same table, include a listing of the program measures that have relied on the OEB-approved Inputs and Assumptions List (dated March 28, 2008) as well as program measures for custom programs where published measures were not available.
