Dear Ms. Walli:

EB-2009-0084 – The Cost of Capital in Current Economic and Financial Market Conditions – Hydro One Networks' Comments on Intervenor Cost Claims

I write to advise that Hydro One will raise no issues with respect to the claims from School Energy Coalition, Industrial Gas Users Association, Energy Probe, London Property Management Association and Building Owners and Managers Association.

With respect to the cost claim of the Consumers Council of Canada, Canadian Manufacturers and Exporters and Vulnerable Energy Consumers Coalition, Hydro One would request the Assessment Officer to review the claims and ensure that the OEB guidelines have been followed.

Sincerely,
