### **Re: Delay in filing responses to Board Staff and VECC Supplemental IRs**

HHI has been working diligently with ERA and Deloitte to complete its responses to Board Staff and VECC's Interrogatories; however HHI will not be able to meet the January 26, 2010 deadline. The major contributor to the delay is the unavailability of resources (i.e. consultants and accounting group) to assist Hawkesbury Hydro in completing its responses.

Having reviewed the status of the work still outstanding, HHI is confident that it will be able to complete and submit its responses by February 3, 2010. HHI regrets any inconvenience that this delay may cause and appreciate the Board, VECC's understanding in this matter.
