Dear Ms. Walli:

**Re: Vulnerable Energy Consumers Coalition (VECC)  
Final Submissions: EB-2009-0221  
ENWIN Utilities Ltd. – 2010 Electricity Distribution Rate Application**

VECC has reviewed ENWIN's amended Application filed in response to interrogatories from both Board Staff and itself. In VECC's view the revised Application's treatment of the fixed/variable rate design split for Residential customers conforms to the terms of the Settlement Agreement regarding 2009 Rates and should be accepted by the Board.

In its intervention letter of December 3, 2009, VECC requested that the scope of the issues eligible for cost award be expanded to include ENWIN's conformance with the EB-2008-0227 Settlement Agreement. VECC repeats this request and submits that its participation in this proceeding has been focused and responsible. Accordingly, VECC requests an award of costs in the amount of 100% of its reasonably-incurred fees and disbursements.

Thank you.

Yours truly,

Michael Buonaguro  
Counsel for VECC
