Dear Mr. Fallis:

**Re: Hydro One Networks Inc.
Application for Leave to Construct Bruce-Milton Transmission
Reinforcement Project
Board File No. EB-2007-0050
Request for Intervenor Status and Cost Award Eligibility**

The Board has received your request to make additional submissions relating to the *Alberta Surface Rights Act*.

Although it is unusual for a party to be granted a right to reply to an applicant's reply argument, the Board will in this instance grant your request. For greater clarity, the Board will permit you, or any other party that made argument at the hearing on July 31, 2007, to make reply submissions solely on the issue of the relevance of the *Alberta Surface Rights Act* to this proceeding.

All written submissions from you or any other party must be received by the Board and served on Hydro One Networks Inc. by 4 p.m. on Tuesday, August 7.

Hydro One Networks Inc. may file written reply to any submissions by 4 p.m. on Wednesday, August 8.
