Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
Suite 2700, 2300 Yonge Street
P.O. Box 2319
Toronto, ON M4P 1E4

Dear Ms. Walli:

EB 2007-0713 Proceeding re: Hydro Ottawa Limited for an Electricity Distribution Rate Change

PowerStream Inc. is applying for intervention status in the above-noted proceeding.

PowerStream is not identified in the list of 25 electricity distributors that will be seeking approval for their electricity distribution rates in 2008 based on a cost of service application. However, PowerStream does plan on filing for rates based on a cost of service application in 2009, and therefore has significant interest in the issues raised in EB-2007-0713.

PowerStream is not eligible for and does not seek an award of costs as per the Board's Cost Award Guidelines.

PowerStream requests that documents filed with the Board in this proceeding be served as follows:
