Dear Ms. Walli:

**Re: Orangeville Hydro 2010 EDR Application
EB-2009-0272**

We are counsel to Orangeville Hydro Limited (“Orangeville Hydro”) in the above captioned matter. Orangeville Hydro is writing to indicate that it intends to file a settlement proposal in accordance with the Board’s Procedural Order No. 3, however it is requesting a one-week extension to file its settlement proposal on Monday, February 15, 2010. Orangeville Hydro requires additional time to finalize a draft of the settlement proposal, give intervenors adequate time to review and comment on the draft, and incorporate intervenors’ comments as appropriate before filing a settlement proposal with the Board. All of the parties have negotiated in good faith throughout this settlement process, and Orangeville Hydro is hopeful that a viable settlement agreement can be reached if the Board grants the additional time requested.

Yours truly,

BORDEN LADNER GERVAIS LLP
