Dear Ms. Kirsiten Walli

This is to inform you that I, (Robert Barlow), landowner of lot 22, concession 5 in Esquising township and currently represented by the law firm of Borden Ladner Gervais, with respect to the Bruce to Milton Reinforcement Project. Will no longer be represented by Borden Ladner Gervais before the Ontario Energy Board.

I am instructing Borden Ladner Gervais of this decision and they will have to find another landowner to replace my name on their submissions to you on behalf of Powerline Connections.

As a result of the above information I am seeking independent intervener status as a directly affected landowner before the board and wish to be eligible for cost.

Yours truly,

A handwritten signature in black ink, appearing to read 'Robert Barlow', written in a cursive style.
