Dear Ms. Stalli,

We wish to be included on the information mailing list with regards to the new Hydro Power line.

Our files are EB-2007-0050 and EB-2007-0051. Please mail to:

Keith Cressman,
R.R. # 2, Mount Forest
ON N0G 2L0

From the "workshop" held by Hydro in Holstein on May 3, I understand that this will keep all the information flowing to us. There is not a need at this time to worry about being named "an observer" and our future.

participation is not affected. If
this understanding is not correct, please
contact me at 519 321-9333.

Sincerely,

Keith Cressman
