STATEMENT OF INTEREST

1. Great Lakes Power Limited (“GLPL”) is an Ontario corporation engaged in the electricity generation, distribution and transmission businesses in Ontario. GLPL’s transmission business operates pursuant to electricity transmission licence ET-2002-0247.
2. As a licenced transmitter, GLPL has an interest in the Board’s treatment of transmitters proposing the development or redevelopment of transmission capacity in the province of Ontario. GLPL, therefore, has a direct and substantial interest in this proceeding.

INTERVENTION

3. GLPL hereby applies for intervenor status in this proceeding.
4. At this point in the proceeding, GLPL has not determined the extent to which it will actively participate in the proceeding. However, GLPL reserves the right to be heard, to appear by or with counsel, to cross-examine on all matters raised during any hearing that may relate to its interests, to adduce evidence on specific matters of its choice related to the Applications, and to present argument.
5. GLPL hereby requests that the Board, Hydro One and any other intervenors provide it and its counsel with copies of all written evidence and correspondence related to the Application.
6. GLPL does not intend to seek an award of costs.
7. GLPL has no preference with respect to an oral or written hearing.
