Goderich Ontario N7A 2K4

Dear Mr. McCabe:

**Re: West Coast Huron Energy Inc. 2009 Electricity Distribution Rates
Application; Board File Number EB-2008-0248**

It has come to the Board's attention that the Effective Date in the Rate Order issued January 21, 2010 for West Coast Huron Energy Inc.'s. 2009 Rate Application was incorrectly stated as September 1, 2009. In accordance with Section 21.1 of the *Statutory Powers Procedure Act*, which permits the Board to correct typographical and clerical errors, the Board today is issuing a Corrected Rate Order. The Corrected Rate Order states that the Effective Date is May 1, 2009.

The Corrected Rate Order and corrected Tariff of Rates and Charges replace the Rate Order and Tariff of Rates and Charges issued January 21, 2010.

Yours truly,
