Dear Ms. Walli:

**Re: Toronto Hydro-Electric System Limited ("THESL") 2010 Rate Proceeding
Board File: EB-2009-0139**

In preparing for the hearing on Monday, February 8, 2010, we have determined that an error was made in respect of the apportionment of certain O&M costs between new and converted condominiums. The change affects the results set out in Tables 1 and 2 of Mr. Hanser's pre-filed evidence and the SSMWG's responses to THESL Interrogatory No. 10 and VECC Interrogatory No. 3.

We therefore attach revised responses to these two Interrogatories and a revised copy of Mr. Hanser's pre-filed evidence. The revisions are limited to the last three pages of Mr. Hanser's pre-filed evidence and as noted on the attachments. Mr. Hanser will explain the revisions more fully on Monday.

Yours truly,
