Ms. Kirsten Walli, Board Secretary  
**Ontario Energy Board**  
P.O. Box 2319  
2300 Yonge Street, 27<sup>th</sup> floor  
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: OEB File No. EB-2009-0096  
Hydro One Networks Inc. 2010-2011 Electricity Distribution Rates Application**

We are writing in response to Mr. Shepherd's February 3, 2010 letter requesting an extension of the deadline for the School Energy Coalition's submissions until Tuesday February 9, 2010. As a matter of procedural fairness, the Board should not grant one intervenor an extension without granting the same extension to all intervenors. An extension to one intervenor would provide that intervenor with the advantage of being able to review the submissions of other intervenors when preparing their own submissions.

Therefore, as a matter of procedural fairness, the Society of Energy Professionals requests that, if the Board determines that it is appropriate to grant the extension requested by Mr. Shepherd, the same extension should be granted to all intervenors.

Yours very truly,
