February 5, 2010

To : All Parties in Hydro One Networks Inc. Rates Case – EB-2009-0096

The Board has received a letter dated February 3, 2010 from counsel for the School Energy Coalition (“SEC”) seeking an extension to file its final argument in the above noted proceeding. SEC sought permission to file its argument on February 9, instead of the original deadline of February 5. On February 4th and 5th, the Board received various correspondence from other intervenors asking that any extension granted to SEC be granted to all intervenors.

The Board will grant a brief extension to SEC, as it sought relief from the Board sufficiently in advance of the original deadline, and provided reasons for the delay. SEC may file its final argument by 8 a.m. on Monday, February 8. All other intervenors are expected to meet the original deadline of February 5.

Yours truly,

Original Signed by

Kirsten Walli
Board Secretary
