ONTARIO ENERGY BOARD

Thursday Jan. 17, 2008

To: ONTARIO ENERGY BOARD

ATTENTION: KIRSTEN WALLI

RE APPLICATION FILE # EB 2007-0050

I have not been contacted by Hydro One because they say it will not impact me.

I wish to participate in this procedure, as well as seeking costs, because a tower at the back door of my 180 year stone house will have immense impact on me.

Respectfully

A. R. McFee
