Dear Mr. McFee:

**Re: Hydro One Networks Inc.
Application for Leave to Construct
Bruce Milton Transmission Reinforcement Project
Board File No. EB-2007-0050
Notice of Intervention of Allan R. McFee**

The Board is in receipt of two letters from you dated January 17, 2008 relating to the proposed Bruce to Milton transmission line (Board File No. EB-2007-0050). You have sought both intervenor status and costs eligibility for this proceeding.

The Board hereby accepts your request for intervenor status in the EB-2007-0050 proceeding. However, the Board does not accept your request for costs eligibility. In this proceeding the Board has determined that it will only grant costs eligibility to those landowners whose property may actually be crossed by the proposed transmission line.

Yours truly,

Original Signed By
