Attention: Ms. Kristen Walli, Board Secretary

**RE: Hydro One Application for Leave to Construct Bruce-Milton Transmission Reinforcement Project EB-2007-0050**

To Whom It May Concern:

Further to my receipt of the above noted Application on April 24<sup>th</sup>, I wish to participate in the proceeding and request **Intervenor Status**.

We are the owners of the property at the above address. The new line would cross over our barn as well as our home, and would interfere with our family's life, our farming business, as well as the value of our land. These are only a few of our concerns.

We **request an oral hearing** so that we can present our case to the board. We will also seek costs from the applicant because they are forcing us to defend our property rights.

Sincerely,

C.B. Rutledge

L. Rutledge
