Dear Ms Walli

Re: OEB File No EB-2007-005 and No EB 2007-0051

Please be advised that I have been retained to represent Mr. and Mrs. C.B. Rutledge of RR#2 Grand Valley who were granted intervener status in the above noted proceedings by letter from the Board's Assistant Secretary dated May 18, 2007.

My clients have been served with the motion materials which I have examined on the Board's website. Please advise the Board that my instructions are not to participate in the motion brought by Powerline Connections or in any other preliminary motions but to represent the clients' interest at the appropriate time in the process relating to the Access Application. At the moment I assume the motions have been heard but I am unsure whether the issues list date would be as set out in Procedural Order No. 1 on file EB-2007-0051 or whether a decision on the preliminary motions must be rendered first.

Your earliest guidance and response would be most appreciated

Yours Very Truly
