Dear Mr. McLaren:

**Re: Hydro One Networks Inc.
Application for Leave to Construct Bruce-Milton Transmission
Reinforcement Project
Board File No. EB-2007-0050
Request for Intervenor Status and Cost Award Eligibility**

The Board confirms Saugeen Ojibway Nations as an intervenor in the above noted proceeding, subject to Hydro One Networks Inc.'s right of reply to your request within 10 days of the mailing of this letter.

The Board has determined that Saugeen Ojibway Nations is eligible to apply for an award of costs under its Practice Direction on Cost Awards. The Board cautions the Saugeen Ojibway Nations that this costs eligibility relates only to matters that are before the Board and relevant to the leave to construct application for the Bruce-Milton transmission project. The Board does not grant cost awards for participation in, for example, the environmental assessment process. Although the Saugeen Ojibway Nations may be eligible for costs in the upcoming Integrated Power System Plan hearing, that will be a separate proceeding and the Saugeen Ojibway Nations will have to make a separate costs eligibility application for that proceeding at the appropriate time.

The Practice Direction and related forms are available on the Board's Web site at www.oeb.gov.on.ca.
