Dear Mr. MacDonald,

We received a Notice of Application regarding "Leave to Construct a Transmission Reinforcement Project" just last week. The incorrect address caused the delay. Luckily the notice from the post office was delivered to our son.

We wish to participate in the Leave to Construct proceeding by choosing option 2 as observer status in order to receive documents issued by the Board in the proceeding.

Please correct your records to reflect our proper address.

Thank you for your attention to this matter.
