EB-2007-0051 Access Application for Bruce-Milton Transmission Project

Halton Hills Hydro hereby requests observer status in the above noted proceedings. Due to a delivery error, our previous request was sent to Hydro One only, and not to the Ontario Energy Board.

The notice of application states that any requests for observer status must be received by the Board no later than 10 days from the publication date. In the event that this request is later than the maximum 10 days, we hope that observer status will still be granted.

If you have any further questions, please contact myself or Arthur Skidmore at 519-853-3700 extension 225 or email [askidmore@haltonhillshydro.com](mailto:askidmore@haltonhillshydro.com).
