Dear Ms. Walli:

Re: Application by Tribute Resources Inc. and Bayfield Resources Inc., on behalf of
Huron Bayfield Limited Partnership (the "Applicants")
Ontario Energy Board – Procedural Order No. 1
File Numbers EB-2009-0338/0339/0340

Thank you for providing us with Procedural Order No. 1 dated February 9, 2010. I have had an opportunity to consult with my clients, the Applicants, in respect of the contents of Procedural Order No. 1. That Procedural Order requested submissions from all parties pertaining to the Ontario Energy Board continuing on with, or suspending, the proceedings in respect of the Stanley Pool until the outcome of the decision of the Ontario Court of Appeal in that appeal is known.

The Applicants accept deferring the entire proceedings, including the Applications pertaining to the Bayfield Storage Pool and the Bayfield Pipeline Corp. until the Ontario Court of Appeal has issued a decision in the Stanley case, after which the Ontario Energy Board and all parties can review and respond to that decision.

I trust the above conveys the views of the Applicants at this time.

Yours truly,

GIFFEN & PARTNERS
