Dear Ms. Walli:

### **Re: EB-2010-0018: Natural Resource Gas Limited ("NRG") 2011 Cost of Service Application**

We are legal counsel to the corporation of the Town of Aylmer, and write on its behalf to confirm that it is requesting intervener status in the above-noted matter.

The Town is one of the municipalities in which NRG supplies gas pursuant to a Franchise Agreement with the Town. As such, the Town has a direct interest in any issues regarding the cost of natural gas supply and service to customers and any related policies and practices in that regard which may be raised by this Application. The Town has recently been allowed to intervene and participate in certain proceedings before this Board in EB-2006-0243, EB-2008-0273, and EB-2008-0413 which raised related issues, and the proposed intervention is to maintain the interests it put forward therein and to assist the Board as required.

The representatives of the Town for the purposes of service and delivery of documents in the proceeding will be as follows:
