Dear Sirs:

Re: OEB File No. EB-2007-0050

Thank you for your letter of February 29, 2008. That letter encloses interrogatory requests for Bruce Power and suggests that Bruce Power is to respond to this request in accordance with the OEB's Procedural Order #5. Procedural Order #5 addresses filing interrogatories with Hydro One with respect to Hydro One's evidence; it does not purport to be aimed at Bruce Power. This is consistent with the purpose of interrogatories, which is to clarify a party's evidence.

Accordingly, Bruce Power is not required to provide responses to the interrogatories and will not be doing so.

Sincerely

George Vegh
