RE: EB-2009-0422 Leave to Construct - Bickford to Dawn (DGLP) – FRPO IR's

The Federation of Rental-housing of Providers of Ontario (FRPO) is submitting this letter to communicate to the Board and applicant that it will not be submitting further interrogatories in the above matter at this time. FRPO was greatly aided by the early submission of Board staff's interrogatories (No. 2 to 27) minimizing FRPO's interrogatories to a few. In reviewing the interrogatories of CME and IGUA interrogatories (No. 5 to 9), FRPO believes that the full spectrum of its inquiry has been ably covered and will not submit questions that only vary slightly from those posed. FRPO looks forward to reviewing the responses of the applicant to aid the Board in determining a public interest approach to this project.

As an administrative matter, FRPO would respectfully request the addition of Dwayne Quinn (drquinn@rogers.com) to the official circulation list of all parties for electronic communication of material in this matter. Thank you.

Respectfully Submitted on Behalf of FRPO,

Dwayne R. Quinn
Principal
DR QUINN & ASSOCIATES LTD.
