Dear Mr. Freemark:

**Re: Application for Renewal Electricity Distribution Licence
Board File No. RP-2002-0239/EB-2002-0577**

In the subject application, one party, Hydro One Networks Inc. responded to the Notice of Proposal to renew the Electricity Distribution Licence. After considering the application and the written submissions by Hydro One Networks Inc., I have decided to issue the Electricity Distribution Licence for Renfrew Hydro Inc. under Part V of the *Ontario Energy Board Act, 1998* ("the Act").

Attached to this letter is the Electricity Distribution Licence for Renfrew Hydro Inc.

Under section 76 of the Act, the Board may suspend or revoke this licence if: the licensee does not comply with the Act or the *Electricity Act, 1998* or a regulation under those Acts; is in breach of any condition of the licence; is no longer in a position to operate in conformity with the Act and the Electricity Act and the conditions of its licence; has been negligent in carrying on the activity authorized by the licence; or has made fraudulent misrepresentations in carrying on its business.

If you have any questions regarding these matters, please contact Elaine Wong, Licensing Advisor at 416 440-7638.

Sincerely,

Mark Garner
Director of Licensing
