March 2, 2010

To: All distributors in the EB-2009-0326 Proceeding

**Re: Board File Number: EB-2009-0326
Proceeding to determine and implement a distribution rate for embedded
generators having a nameplate capacity of 10 kW or less**

The Decision and Order (D&O) in the EB-2009-0326 proceeding issued on February 23, 2010 required that distributors shall provide to the Ontario Energy Board the value of each of the cost elements outlined in Appendix D of the D&O within 20 days of the issuance of the D&O.

Distributors are reminded that the D&O can be found at:
http://www.rds.oeb.gov.on.ca/webdrawer/webdrawer.dll/webdrawer/search/rec&sm_udf10=eb-2009-0326&sortd1=rs_dateregistered&rows=2009, and that cost element values are due on March 15, 2010.

Yours truly,
