ONTARIO ENERGY BOARD

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Schedule B);

AND IN THE MATTER OF an Application by Natural Resources Gas Limited to the Ontario Energy Board for an Order or Orders approving or fixing just and reasonable rates and other charges for the sale, transmission and distribution of gas as of October 1, 2010.

NOTICE OF APPLICATION FOR INTERVENTION

1. IGPC Ethanol Inc. and the Integrated Grain Processors Co-operative Inc. ("IGPC") are the developer of a 150 million liter per year ethanol facility in the Town of Aylmer, and within the Natural Resources Gas Limited ("**NRG**") franchise area.
2. IGPC seeks full status of an intervenor in this proceeding and reserves its rights to file evidence, cross-examine witnesses, make submissions, and generally fully participate in this proceeding.
3. A new rate class has been proposed for IGPC and this proposal being put forth by NRG would result in a significant increase to the costs incurred by IGPC for the delivery of natural gas by NRG. IGPC is the largest customer within the NRG franchise area.
4. IGPC requests that this proceeding be conducted by way of an oral hearing.
5. IGPC prefers correspondence in English.
6. All communications in respect of this proceeding should be copied to:

7. IGPC intends to seek an award of costs. IGPC would note that it is a co-operative whose membership includes many ratepayers of NRG.

All of which is respectfully submitted.
