

EB-2010-0033

IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, Schedule B;

AND IN THE MATTER OF an application pursuant to
section 74 of the *Ontario Energy Board Act, 1998* by
6732976 Canada Inc. to amend its electricity generator
licence.

By delegation, before: Jennifer Lea

DECISION AND ORDER

On February 5, 2010, 6732976 Canada Inc. (operating as Pod Generating Group) filed an application with the Board under section 74 of the *Ontario Energy Board Act, 1998*, for an order of the Board to amend its electricity generator licence EG-2007-0684 to reflect changes to the list of facilities listed on Schedule 1. On February 17, 2010, the applicant requested a further amendment to its licence to reflect a change in the name of the licensee.

Specifically, the applicant requested the removal of two generation facilities (PGG001 and PGG002) from the list of facilities on Schedule 1 of its licence. According to the application, the applicant has recently sold the development rights for those generation projects to Starwood SSM1 Canada Incorporated ("Starwood"). Starwood has applied to the Board for a generation licence to own and operate the subject facilities. The applicant also requested a name change from 6732976 Canada Incorporated (operating as Pod Generating Group) to 6732976 Canada Inc. (operating as Pod Generating Group) to reflect the correct legal name of the licensee.

There are no other changes requested to the licence apart from the aforementioned requested changes. All other provisions remain the same.

I have proceeded without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding and the applicant has requested that the matter be disposed of without a hearing.

I find that the information provided in the application is sufficient to demonstrate that granting the requested amendments is in the public interest.

IT IS THEREFORE ORDERED THAT:

Electricity Generation Licence EG-2007-0684 is amended to reflect:

- (a) a name change from 6732976 Canada Incorporated (operating as Pod Generating Group) to 6732976 Canada Inc. (operating as Pod Generating Group); and
- (b) the removal of the PGG001 and PGG002 generation facilities from Schedule 1 of the licence:

DATED at Toronto, March 15, 2010
