Dear Ms. Walli,

**Re: Deferred PILs Combined Proceeding Board File Number EB-2008-0381**

Following a review of Halton Hills Hydro's ("Halton Hills") evidence and Halton Hills' responses to interrogatories from Ontario Energy Board Staff, Hydro One Brampton Networks Inc. ("Hydro One Brampton") has determined that its situation, in relation to issue 13 as listed in the Final Issues List contained in Procedural Order No. 8, is quite different from that of Halton Hills.

In the Ontario Energy Board's Decision dated December 18, 2009 the OEB indicated that Hydro One Brampton's issue is to be determined later. In light of the preceding it would not be appropriate for Hydro One Brampton to file evidence in this proceeding. Therefore, Hydro One Brampton will be filing evidence in a subsequent proceeding.

If additional information is required, please contact the undersigned.

Sincerely,
