## **NOTICE OF APPLICATION AND WRITTEN HEARING FOR AN ELECTRICITY DISTRIBUTION RATE CHANGE**

### **ERIE THAMES POWERLINES CORPORATION**

The Ontario Energy Board (the “Board”) received an application on March 15, 2010, under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Schedule B), seeking approval for changes to the rates that Erie Thames Powerlines Corporation (“Erie Thames”) charges for electricity distribution, to be effective May 1, 2010. The Board has assigned the application file number EB-2009-0222. The Board’s decision on this application may have an effect on all of Erie Thames’s customers. The application was filed under the Board’s guidelines for 3<sup>rd</sup> Generation Incentive Regulation, which provides for a mechanistic and formulaic adjustment to rates between cost of service applications.

Any change to the rates that Erie Thames charges for electricity distribution will be reflected in the delivery charges. Delivery charges are one of four regular items on residential and general service customers’ electricity bills and vary depending on the amount of electricity consumed.

Erie Thames indicates that if the application is approved as filed, a residential customer consuming 800 kWh per month would experience an approximate 9.6% decrease in delivery charges. This is a \$3.47 per month decrease on the total bill. A small general service customer consuming 2,000 kWh per month and having a monthly demand of 50 kW or lower would experience an approximate 11.6% decrease in delivery charges. This is a \$7.17 per month decrease on the total bill.

### **How to see Erie Thames's Application**

Copies of the application are available for inspection at the Board's office in Toronto and on its website, [www.oeb.gov.on.ca](http://www.oeb.gov.on.ca), and at Erie Thames's office and may be on its website.

### **How to Participate in the Rate Proceeding**

The Board intends to proceed with this specific application by way of a written hearing, unless a party satisfies the Board that there is good reason to proceed instead with an oral hearing.

You may participate in this proceeding in one of two ways set out below. Anyone who wishes to follow the proceeding without participating can review most documents relevant to the proceeding through the Board's website.

#### **1. Send a letter of comment to the Board**

You may file a letter with your comments with the Board and Erie Thames. Your letter of comment will be provided to the Board panel deciding the application, and will be part of the public record. Your letter of comment must be received no later than **April 22, 2010**. The Board accepts letters of comment by either post or e-mail at the addresses below.

#### **2. Become an Intervenor**

You may ask to become an intervenor if you wish to actively participate in the proceeding. You must also provide a copy of your letter of intervention to Erie Thames. Intervenor status is eligible to receive evidence and other material submitted by participants in the hearing. Likewise, intervenors will be expected to send copies of any material they file to all parties to the hearing. Your request for intervenor status must be made by letter of intervention and be received by the Board no later than **April 21, 2010**. Your letter of intervention must include a description of how you are, or may be, affected by the outcome of this proceeding; and if you represent a group, a description of the group and its membership. The Board will not award costs in this proceeding as the applicant has not made any proposals that deviate from the Board's guidelines for rate adjustments.

### **Interrogatories and Submissions**

Board-approved intervenors who wish information and material from Erie Thames that is in addition to the evidence filed with the Board and that is relevant to the hearing shall request it by written interrogatories filed with the Board and delivered to Erie Thames on or before **April 22, 2010**. Erie Thames shall file with the Board complete responses to the interrogatories and deliver them to all intervenors no later than **April 28, 2010**.

Written submissions by an intervenor may be filed with the Board, and if so must be delivered to Erie Thames and other intervenors, by **May 5, 2010**. If Erie Thames wishes to respond to the submissions, its written response must be filed with the Board and delivered to all intervenors by **May 12, 2010**.
