Dear Ms. Walli:

**Re: Pollution Probe – Request for Intervenor Status  
EB-2010-0060 – Consultation on Distribution Revenue Decoupling**

We are writing to request intervenor status on behalf of Pollution Probe for the above noted matter further to the Board's letter dated March 22, 2010 and *Rules of Practice and Procedure*.

We apologize for slight lateness of this intervention as Pollution Probe's counsel was at client meetings in Sault Ste. Marie all of last week, a full-day cross-examination this week in Barrie, and another morning motion this week in Toronto. If necessary, we request a short extension to allow for Pollution Probe's involvement and request for cost eligibility in this matter, and Pollution Probe does not oppose a corresponding extension regarding any objections to Pollution's Probe's involve and request for cost eligibility.

With respect to the intervention:

- I. Pollution Probe intends to appear and participate as part of the consultation.
- II. Pollution Probe is a public interest advocacy group with a large membership and donor base throughout Ontario. On behalf of its members, donors and the general public, Pollution Probe intends to support aggressive promotion of energy conservation and energy efficiency, including through CDM and DSM. Pollution Probe may identify other interests based on its review of the materials.
- III. Pollution Probe requests two copies of the pre-filed evidence/materials, one to be delivered to Mr. Murray Klippenstein and myself as counsel for Pollution Probe at the law firm address above (e-mail addresses: murray.klippenstein@klippensteins.ca and basil.alexander@klippensteins.ca), and one to be delivered to its consultant, Mr.

Jack Gibbons of Public Interest Economics. Electronic copies are sufficient, and we also request that both counsel (Mr. Klippenstein and Mr. Alexander) and Mr. Gibbons be listed on the intervenors' list under Pollution Probe, since this makes the later distribution of updates more effective. Mr. Gibbons is at:

Public Interest Economics  
625 Church Street, Suite 402  
Toronto ON M4Y 2G1  
Telephone: (416) 926-1907 x240  
Facsimilie: (416) 926-1601  
E-mail: [jgibbons@pollutionprobe.org](mailto:jgibbons@pollutionprobe.org)

IV. The intervenor's full name and address is:

Pollution Probe Foundation  
625 Church Street, Suite 402  
Toronto ON M4Y 2G1  
Telephone: (416) 926-1907

- V. Please send correspondence and any other materials to both Jack Gibbons and to counsel as the authorized representatives.
- VI. Pollution Probe intends to seek an award of costs for the reasons discussed above.
- VII. Pollution Probe requests the Board's directions as to whether this Notice of Intervention should be served on any other parties.

Yours truly,

Basil Alexander
