Dear Ms Walli,

microFIT Proceeding

Board File No.: EB-2009-0326

Our File No.: 339583-000058

We are enclosing the Cost Claim of our client, Canadian Manufacturers & Exporters ("CME"). A copy of this Cost Claim has been sent electronically to electricity distributors.

Due to a breakdown in communications in this office, this Cost Claim, covering services we provided to CME in connection with this matter, was not submitted within 14 days of the Board's February 23, 2010 Decision and Order.

For some unexplained reasons, the instructions to prepare the Cost Claim, following the review by Mr. DeRose and myself of the Board's Decision and Order, did not reach my assistant.

We respectfully request that each of the electricity distributors receiving this Cost Claim by e-mail advise the Board immediately whether they have any objections to either the late filing or the amount of the Cost Claim.

If not, then we respectfully request that the Board permit the late filing of this Cost Claim and proceed to assess it in accordance with the *Practice Direction on Cost Awards*.

Please contact me if any further information is required.

Yours very truly,

Peter C.P. Thompson, Q.C.
