Dear Ms. Walli:

**Re: Independent Electricity System Operator — Fiscal 2010  
Fees Submission for Review: EB-2009-0377**

We received the Board's Decision and Order dated April 1, 2010 and having reviewed it, note that there are a couple minor inaccuracies. The IESO does not believe it is necessary to make any amendment, but for the record wishes to provide clarification. Specifically:

- With regards to para. 7 of the Decision, the IESO's evidence stated that the \$38.5 million in smart metering costs are as of the *end of 2009*<sup>1</sup>; and
- With regards to para. 16 of the Decision, the IESO's evidence was that it "will be initiating longer term market evolution considerations during 2011 which, in light of recent changes to the sector, may include consideration of additional changes to
