Dear Ms Walli,

**Further Revised Proposed Amendments to the Distribution System Code, The Retail Settlement Code and the Standard Supply Service Code**

**Board File No.: EB-2007-0722**

**Our File No.: 339583-000013**

I am writing on behalf of Canadian Manufacturers & Exporters ("CME") to provide comments on the further revised proposed amendments to the Distribution System Code ("DSC"), the Retail Settlement Code ("RSC") and the Standard Supply Service Code ("SSSC") that were circulated on March 12, 2010. As the Board will be aware, CME has previously commented on the previous proposed amendments to these Codes in this same proceeding on April 17, 2009.

CME notes that the further revised proposed amendments generally relate to residential customers, and do not propose to further amend the elements of the Codes which CME previously commented on. For this reason, CME has no additional comments on the further revised proposed amendments on March 12, 2010.

In the further revised proposed amendments, the Board proposes January 1, 2011 as the new coming into force date for all of the proposed amendments set out in the Notice. Given the previous submission from distributors estimating the time needed to fully implement the new rules, and recognizing the total number of system changes required to implement the package of customer service amendments, CME supports the Board's proposal that January 1, 2011 be the new coming into force date for all of the proposed amendments set out in the Notice.

If you have further questions or concerns, please contact me at your convenience.

Yours very truly,

Vincent DeRose  
VJD/kt
