Reply to Board Staff Submission - Revision
Wasaga Distribution Inc.**

In a conversation with Martin Benum, Applications Advisor, Wasaga Distribution realizes that Wasaga had misinterpreted the Board Staff Submission to Board Staff interrogatory 3b. This letter is to clarify Wasaga Distribution Inc. position in the following paragraph.

Our current billing system could not readily accommodate a separate rate rider that would apply prospectively to non-RPP customers to dispose of the Global Adjustment sub-account. Wasaga Distribution Inc. supports Board Staff's alternative where recovery of the allocated Global Adjustment sub-account balance be allocated to all customers in each class, recognizing the customer migration both away from and into the Non-RPP customer group.

Thank you,
