RE: Evidence Brief of the Saugeen Ojibway Nations in EB-2007-0050

Dear Ms Walli,

Enclosed please find the expert evidence of Whitfield Russell in this matter, tendered on behalf of the Saugeen Ojibway Nations, and filed pursuant to the Board's Procedural Orders. (The evidence is attached in PDF searchable format, and separate copies are being couriered to the Board.)

In light of the very late delivery to us of information and materials respecting the historical performance of the existing Bruce-Milton lines, that was produced pursuant to the Board's Order of April 7 and Procedural Order #9 of April 14, we reserve the right to file further expert evidence based on those materials.

We have not filed evidence relating to the issue respecting consultation and accommodation obligations owed to Aboriginal peoples. We suggest that the Board should receive evidence on this issue towards the end of the hearing. Because SON is currently involved in a number of discussions that bear directly on this issue, we are not in a position to file evidence on that issue at this time, and will provide advance notice of any such evidence that we may be instructed to tender.

Yours truly,

Alex Monem
