Dear Ms. Walli:

In its Decision and Order, dated October 29, 2007, for the above noted proceedings the Board directed Union to provide the following information in respect of T1 storage services for LANXESS Inc. and St. Clair Power:

- The amount of firm space to be provided at cost-based rates and the method used to set the amount.
- The amounts of firm injection and withdrawal rights to be provided at cost-based rates and how Union determined these amounts.

The following table provides Union's response:

LANXESS	206,000	Aggregate Excess	2,500	1.2%
St. Clair Power	322,500	10X Deliverability	3,870	1.2%
