Dear Ms. Walli:

Re: Board Staff Submission on Parry Sound Power Corporation
2010 Electricity Distribution Rates Application
Board File Number EB-2009-0207

Parry Sound Power agrees with the Board staff makes submissions on the following matters:

- Disposition of Deferral and Variance Accounts as per the Electricity Distributors' Deferral and Variance Account Review Report (the "EDDVAR Report")
- Adjustments to the Retail Transmission Service Rates

Parry Sound Power does not agree with Board Staff position on "HST",
The administrative burden and costs associate with the HST will become a cost to our rate payers not a savings.
