Re: EB-2007-0598 - Union Response to Comments on Draft Rate Order

Dear Ms. Walli:

Union Gas has received comments from two intervenors concerning the revised draft Rate Order for rates effective January 1, 2008, which reflects the August 17, 2007 Decision and Order of the Board and its October 18, 2007 letter.

IGUA's letter of October 29th from Mr. Peter Thompson was not opposed to Union's draft Rate Order. LPMA's letter from Mr. Randy Aiken, which Union received on October 30, 2007, was also not opposed to Union's filing. Accordingly, Union has no further submission to make and requests that the Board approve the draft Rate Order.

Yours truly,
