Dear Ms. Walli:

EB-2009-0096 – Hydro One Networks 2010 and 2011 Distribution Rate Application - Hydro One Networks' Comments on Intervenor Cost Claims

I write to advise that Hydro One Networks ("Hydro One") will raise no issues with respect to the claims from Association of Major Power Consumers in Ontario, Energy Probe, Consumers Council of Canada, Vulnerable Energy Consumers Coalition, School Energy Coalition, Electrical Contractors Association of Ontario and Pollution Probe.

Hydro One has not received cost claims from Common Voice Northwest therefore can not comment on the claims.

With respect to the costs claims submitted by Canadian Manufacturers and Exporters and Green Energy Coalition, Hydro One would request the Assessment Officer to review the disbursements and ensure that all the receipts match the respective claims.

Hydro One also requests that the Assessment Officer review all travel receipts to ensure that intervenors purchase economy class tickets in order to comply with the Board's Practice Direction on Cost Awards.

Sincerely,
