Suite 2700, 2300 Yonge Street

Dear Ms. Walli:

**RE: Five Nations Energy Inc. (2010 Transmission Rates Application)(EB-2009-0387)  
Request for Extension of Time – Interrogatory Responses**

---

We are counsel to Five Nations Energy Inc. (“FNEI”).

On April 27, 2010, the Board issued Procedural Order No. 1 in the above-noted matter, requiring FNEI to file complete responses to all interrogatories and deliver them to the intervenors no later than May 19, 2010. For the reasons outlined below, FNEI hereby requests an extension until May 28, 2010 to file and deliver interrogatory responses.

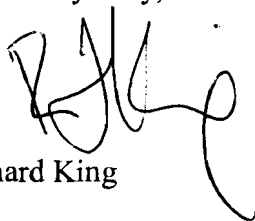

FNEI is a small company, and a number of its key personnel are unable to devote sufficient time to complete the interrogatory responses by May 19<sup>th</sup>:

- FNEI’s CEO will be preparing for and attending a strategic planning session and FNEI Board of Directors Meeting (to be held on May 18<sup>th</sup> and 19<sup>th</sup>).
- FNEI’s CEO, Board of Directors and legal counsel are currently in the process of reviewing and preparing written comments on Board Staff’s Discussion Paper “Transmission Project Development Planning”, (EB-2010-0059), which are to be submitted to the Board by May 31<sup>st</sup>.
- FNEI’s main consultant, Rod Reimer, is also an advisor to the three local distribution companies served by FNEI (Attawapiskat Power Corporation, Fort Albany Power Corporation and Kashechewan Power Corporation) and is currently heavily involved in working with Mr. Daria Babaie of the Board’s audit group.

- FNEI's counsel is currently preparing a significant number of interrogatory responses for another client, which must be filed with the Board by May 17, 2010.

Please do not hesitate to contact me should you have any questions or concerns.

Yours very truly,

Richard King
