DELIVERED

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street
Suite 2700, P.O. Box 2319
Toronto, ON M4P 1E4

Dear Ms. Walli:

**RE: Whitby Hydro Electric Corporation
EB-2009-0274**

We are writing in response to Procedural Order No. 2 dated May 10, 2010 in the above-referenced matter. Whitby Hydro does not object to further supplementary interrogatories, and is amenable to having a conference call with the intervenors and Board staff to seek clarification on any supplementary interrogatories, if necessary. At this time, it is difficult to know whether a technical conference will be necessary, since all parties may be satisfied with the record after the completion of a second round of interrogatories. Further, Whitby Hydro does not object to a settlement conference.

We request that, to the extent possible, the Board expedite the issuance of the next procedural order, and reasonably condense the time for any supplementary interrogatory process ordered.

Yours very truly,

Ogilvy Renault LLP

Andrew Taylor
