DECISION AND ORDER

SUPPLEMENTARY REGARDING COSTS

Background

Talbot Windfarm LP (the “Applicant” or “Talbot”) filed an application with the Ontario Energy Board (the “Board”) dated July 20, 2009, under section 92 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B (the “Act”). The Board assigned File No. EB-2009-0290 to this application. The Applicant applied for and was granted an order of the Board for leave to construct approximately 10.3 kilometres of 230 Kilovolt (“kV”) single circuit overhead electricity transmission line extending from the Talbot Substation to a new Switching Station adjacent to the Hydro One 230 kV line WL44C to connect with existing Hydro One Networks Inc. 230 kV transmission line. The Decision and Order was issued on October 28, 2009.

The Board considers it necessary to make provision for the following in relation to the application. The Board may issue further procedural orders from time to time:

Cost Award

The decision issued by the Board did not address the issue of costs. The Board found that there were no eligible intervenors in the case. Therefore the only costs applicable are those of the Board.

THE BOARD ORDERS THAT:

The applicant shall pay the Board's costs upon receipt of the invoice.
