Dear Ms. Reilly:

**Re: Hydro One Networks Inc.

Record Keeping Requirements
Board File Number EB-2010-0172**

The Board has reviewed your licence amendment application for exemptions from certain electricity reporting and record keeping requirements. Your application is currently incomplete and cannot be processed until the following has been filed:

1. A statement clarifying whether no hearing is requested under section 21 (4)(b) of the *Ontario Energy Board Act, 1998*, along with the reasons for the request. In the absence of a no hearing request, a written or oral hearing will be held.
2. Regarding request for exemption from section 2.1.55 b) of the RRR dated May 1, 2010, we note that Hydro One has provided this information in prior years through its RRR filings. Please let us know the change that has occurred so that Hydro One is no longer able to provide this information.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue a letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@oeb.gov.on.ca.
